VA offers \$30M in grant funding to assist formerly homeless Veterans

WASHINGTON — As a part of ongoing efforts to prevent and end Veteran homelessness, the Department of Veterans Affairs is announcing \$30 million in grant funding for organizations to help formerly homeless Veterans maintain their independence and housing stability.

This funding opportunity will give organizations the funding they need to hire case managers, who will help Veterans search for, obtain, and successfully transition to permanent housing; troubleshoot challenges and barriers to maintaining permanent housing; connect with services to address issues such as poor credit history, rent arrears, and legal issues; and more.

VA anticipates awarding 100 Case Management Grants for up to \$300,000 each to support approximately 150 case manager positions nationwide. Awards will fund two years of operations, starting on Oct. 1, 2023, and ending Sept. 30, 2025. The funds are available through VA's [Homeless Providers Grant and Per Diem Program](#).

Ending Veteran homelessness is a top priority of VA and the entire Biden Administration. The number of Veterans experiencing homelessness [has fallen by 11% since early 2020](#) and 55.3% since 2010. Additionally, during 2022, VA placed more than 40,000 homeless Veterans into permanent housing — exceeding VA's goal by more than 6%. In late 2022, the Biden Administration released [All In: The Federal Strategic Plan to Prevent and End Homelessness](#) which lays out the goal of reducing homelessness for all Americans by 25% by 2025.

“For many Veterans experiencing homelessness, moving into permanent housing is the first step toward the stability and independence they deserve,” said **VA Secretary Denis McDonough**. “But our work doesn’t stop there — these case managers help ensure that once Veterans become housed, they get the resources they need to stay housed.”

VA's efforts to combat Veteran homelessness are grounded in reaching out to homeless Veterans, understanding their unique needs, and addressing them. These efforts are built upon the [evidence-based “Housing First”](#) approach, which prioritizes getting a Veteran into housing, then provides the Veteran with the wraparound support they need to stay housed — including health care, job training, legal and education assistance and more.

Eligible entities, as described in the Notice of Funding Opportunity, may apply for these Case Management Grants. Grant applications must be received by the GPD Program Office by 4 p.m. ET on Thursday, May 4, 2023. View the [NOFO](#) and [learn more about GPD](#) or email GPDGrants@va.gov.
